EUROPEAN RECOVERY

No significant new development.

The Greek Government is considering the desirability of resuming normal diplomatic relations with its northern neighbors. Such a step would demonstrate Greece's good intentions before the UN and would pave the way for the possible re-establishment of the Balkan Entente should the Satellites eventually install democratic governments.

CRITICAL SITUATIONS

EUROPEAN RECOVERY

No significant new development.

GREECE

Rightist Greek labor leaders are apparently attempting to oust moderate elements from the Greek Confederation of Trade Unions. Such action would have repercussions in socialist Europe and would likely cause British labor elements to bring increased pressure on Bevin to withdraw remaining UK troops from Greece.

17

CHINA

Chiang Kai-shek's concern about ammunition shortages and the danger of runaway inflation appears to have been intensified by the prospects of further Chinese Communist offensives this winter and the belief that the US aid proposals thus far disclosed will prove far from adequate.
